ETERNA

ATELIER FERUS
Untamed Elegance in Wallcoverings

A timeless dialogue between past and present, Eterna is a tribute to elegance reimagined.
Inspired by the grace of classical aesthetics,
the collection explores heritage motifs through a modern lens.
Subtle textures reminiscent of fine linen form the backdrop for contemporary reinterpretations of damasks, ornamental structures, and toile de Jouy murals, reworked with dimensional 3D relief and delicate metallic accents in gold and silver.

Earthy tones ground the collection in warmth and quiet strength, while the interplay of depth and shimmer adds a refined opulence.
Eterna evokes a sense of permanence, a serene luxury that feels both familiar and forward-looking,
a collection born from the echoes of history, softly reborn.
