

VERDA

A lush escape into the wild elegance of nature, Verda is a celebration of organic beauty and artisanal craft. Hand-painted watercolor murals unfold across woven natural materials like sisal, breathing life into exotic landscapes where trees and plants bloom in graceful, untamed harmony. Ethnic-inspired patterns and large-scale organic shapes blend seamlessly, creating an all-over effect that is both immersive and serene.

Delicate metallic threads shimmer across textile grounds, adding a subtle light to the richness of the natural palette, earthy greens, sun-warmed terracottas, deep ochres, and gentle sky tones.

Verda evokes the spirit of an untouched world, elegant, rooted, and vibrant. A collection where nature whispers its quiet luxury across every wall.
